

is proud to be signing up to the
Local Climate Bond Pledge.

Our local climate bond will help
us meet our declared climate
emergency target.

We pledge to:

1. Explore the launch of a Local Climate Bond, or related municipal climate investment, within 18 months of COP26, aiming to raise funding for a specific local net zero project(s)
2. Set and share publicly the target dates for completion of the project(s)
3. Provide public updates on the measurable positive impacts – eg. environmental, financial, economic and social – of our funded project(s), including any learnings for the future.
